AndroidStudio Text Based Game

Education

Hight School Diploma 2011-2014

1st General Hiight School - Stavroupoli, Thessaloniki

Bachelor of Informatics Engineering 2014-Jan of 2019

International Hellenic University - Serres Campus

Vilnius Gediminas Universitetas 2019

Erasmus Exhange Student for a semester in Lithuania from January until June of 2019. In that semester I scored a 9.2 GPA and I finished all the courses of my university in 5 years.

Amphibian Special Forces(Greek Army) 2019-2020

I paused my studies to enter army. They honored me as the best beside 50 soldiers, I also overacheived to become trainer of the rookies in the basic commando education. Moreover, I got upgraded as a lance corporal and they delivered me the duty of secretary where I had to file, insert, delete and create documents for the members of my Company.

Vilnius Gediminas Universitetas 2020-Until now

I cointinued my studies. Final project is remaining to assume my bachelor degree.

Looking for

Intership as Web Developer.
